## **Message from the President, Margot Maurer**

Happy New Year! It is my hope that the new year has greeted you in good health and good spirits. I sincerely hope 2022 is a better year than the previous two years. There is much to share, and much to be thankful for! In January, I sent out a message to members with a great deal of information. I hope you had a chance to read it and catch up on the latest news from Lenau Park. I'm re-sharing much of the information here for those who missed it the first time.

In an effort to keep our members well informed, we are pleased to roll out this version of "Der Trommler" Newsletter in its new format. I want to thank our previous publishers, Ingrid and Bob Pejsa, for their efforts as "Der Trommler" got off the ground and was published for several years. They did a wonderful job and invested countless hours of time in the publication. Our approach to information gathering and formatting for the newsletter has changed, but the goal to send it out quarterly remains the same. We have asked our various group leaders and group presidents to contribute newsworthy items when warranted. Adding information to the newsletter is optional for our groups, but I am sure that they will be excited to share their events and newsworthy items. I will continue to provide an overall update on our organization. You will also hear from Marianne Buechler, our Director of Operations, who will keep you informed on topics such as Special Events, Prost, and our wonderful staff.

Did you know that Fish Fry is back? We started on February 25th and will continue through April 15th, which is Good Friday. We have fewer volunteers, and because of that, we will be moving to the use of a buffet line instead of the usual table service as we will simply be too short-handed. Our first night of fish fry went very well, and we are ready for the usual Lenten crown starting on March 4th. Our planning is focused on safety, service, and delicious food. Tables will be spread out in the main hall and dine in customers will order, pay,

and eat in the main hall. Take-out customers will order and receive their orders in the big lobby. This is just one way to limit the number of people gathered in any one place in an effort to maintain safety for all. Please consider joining us on a Friday night for either option.

With Fish Fry in full swing, let me say for the record just how great it is to be open again. The atmosphere on our first night of fish fry reminded me of our events before Covid. We've been open since Spring of 2021, and many of our groups have resumed their usual practice schedules or activities. We have dancers, singers, musicians, German School students, soccer players, ski club members, cardplayers, and bowlers regularly taking part in their group activities, and even though they are on break now, tennis resumed over the past summer months. Our Wednesday workers never really took a break and have continued in their usual vital contributions. They are always looking for new volunteers. They worked hard throughout the months when we were closed and continue to be an important and valued part of our organization.

The summer months of 2021 kept us very busy with Oktoberfest and the Landestreffen events taking place on three consecutive weekends in August and into September. Both of these events require almost a year's worth of planning. I cannot express just how many times I have wished for a crystal ball over these last two years. The pandemic made it so hard to decide, for sure, if we would be able to have these events while trying to predict when state mandates regarding festivals might change, and what Covid infection rates might look like by late summer. The availability and effectiveness of the vaccines made the decision easier by springtime, but neither event was confirmed until March of 2021. Over the following months, our staff, board, and volunteers, squeezed a year's worth of work into just 5 short months, a monumental task for which all should be commended. All three weekends were successful and it was especially nice to see the return of our members and to have visitors from Donauschwaben clubs across the USA.

Even though we have been open since last spring, things are not back to normal, but we are doing our best to keep everything working as well as possible. We've had the same issues as others across the country with staffing shortages and supply chain disruptions. The prices you see at the grocery stores are impacting us as well as all our food orders cost a lot more than they did before the pandemic. It really is hit or miss on the availability of items and it's hard to guess what might be in short supply in the coming weeks. Several staff members contracted the Omicron variant in the 2 weeks leading up to Christmas and through to the New Year. We have monitored exposures and purchased test kits to help make sure that no one is working while they are ill. There have been times when we just had to open while short-handed or staff had to work a lot of overtime. Neither of those situations are ideal, but it is our current reality. Our staff works very hard to make your visits to Lenau Park pleasant and memorable. We ask for your continued patience and grace.

Our Holzer Halle is also open and we are holding events. Groups are able to schedule and hold their events in the main hall if they choose to do so. This is dependent on each group and their ability to plan, organize, and get volunteers for an event. Since I am also the Jugendgruppe Leader, I will use Schwabenball as an example. We last held Schwabenball in 2019. In 2020, there was a ban on large gatherings and in 2021, we were just figuring out how to get our dancers back to Lenau Park and practicing. We are currently planning for April 2022. The dancers have been back to practice for almost a year and parents are once again actively helping with the planning for this event. Therefore, the Jugendgruppe will have Schwabenball this year. Some of our groups are not quite at this point. They either do not have enough participants or enough volunteers available and cannot commit to holding an event. There are traditional events that groups sponsor which will not take place this year for various reasons which are entirely at the discretion of the sponsoring groups. On the other hand, members can look forward to attending the Bunny Brunch, Schwabenball, and Jagerfest, all in the month of April! The DGACC makes the decision on events like the Annual Meeting or Oktoberfest, but not on group events like Schwabenball or the Car Show. I hope to have clarified this point because we have received many inquiries about why events are canceled, and most of the time, it's because the sponsoring group chose to do so for any one of the many reasons listed above.

Getting back to normal isn't easy. Looking around, I see very few things that have returned to the normal we were used to pre-pandemic. Last spring, the consensus was that we were coming out of the worst of the pandemic, and then Delta and Omicron both showed up to keep people home. I know everyone longs for normal, but we may all have to get used to a new version of what normal looks like where we individually evaluate our risks when participating in various tasks or events and make decisions based on that risk. Many businesses and organizations had to close their doors over these last two years and I'm glad we've made our way through to the other side of this pandemic. Lenau Park closed in March of 2020, and like a big ship, it will take time to get it moving again, but we are slowly picking up speed. I am thankful for those serving as members of our Executive Committee. We have worked hard to navigate this course without a roadmap. I am equally thankful for our staff, many of whom did multiple jobs as we worked to reopen and restaff the facility. Here we are, two years later, and once again the pandemic seems to be easing as spring approaches. There is hope for a sense of normalcy to return, but only time will tell. In the meantime, there's a new war going on and other upheavals around the world to worry about. We will have to wait and see how current events impact our daily lives.

As I bring this to a close, I want to impress upon everyone that we are very fortunate. We have, for now, weathered the storm when other organizations have not. We have to acknowledge the unpredictability of our current world and do our best to plan for any contingency. We never imagined a pandemic shutting everything down or a new war in Europe, yet here we are. It's hard to plan for the unknown. We have found

# **SCD Concordia Soccer Club will Host the Annual Donauschwaben Soccer Tournament on Memorial Day Weekend May 28-29**

ourselves navigating unfamiliar territory countless times throughout these last two years, and it looks like we will have to continue to do so. The DGACC / Lenau Park is open for our members and for business. To survive, we relied on our savings and by managing costs, because even while closed, we had expenses. Our Director of Operations, Marianne Buechler, was able to successfully get some of the government relief funds after submitting long and complicated applications, for which we should all be thankful. Our Donauschwaben culture is known for the ability to survive when times are hard, to sacrifice now in order to benefit later, to be frugal and thrifty, and to be steadfast in our commitments to each other and our community. There is no way to make up the income that was lost during the closure, so we have to move forward and work to get back to where we once were financially. In the same way, we must also move forward and work to get back to where we once were socially, whether we are at Lenau Park or anywhere else. I believe that we can get through this together. These last two years have been a challenge for the officers and staff working to keep our organization viable. Please know that during this time, we have worked hard to make the best decisions possible with the information available, and without a crystal ball. We hope to see more of you back at Lenau Park in the near future. We appreciate your concerns and your support, and thank you for your continued interest in the future of our organization.

Finally, I want to remind everyone that the Annual Meeting of the Members will take place on March 13, 2022 in the Holzer Halle beginning at 2:30pm. We hope to see you there!

## **Message from the Director, Marianne Buechler**

What fun it is to see more and more activity happening at Lenau Park! Along with the start of the Fish Fry Season, we have just about all of the subgroups rehearsing, gathering, playing, and enjoying each other again. We have been able to enjoy our traditional Wurst from the Wurstmakers and delicious Christmas Cookies from the Frauengruppe again. The restaurant, Prost! at Lenau Park, continues to be more and more popular with our delicious meals and popular specials.

Since we re-opened to inside activities last spring, our staff has had many changes. As Margot's article indicated, it is not always easy to get the right staffing, but we have been blessed with a very capable team, who are all dedicated to the wellbeing of Lenau Park. Allow me to reacquaint and introduce you to them.

Our office staff consists of Jacki, Lisa, and Erika. This wonderful group handles a large variety of duties including scheduling, accounts payable, accounts receivable, daily cash income, processing membership,

processing contracts, contacting vendors, keeping track of cost increases, and many other tasks. I have worked in many office settings and know that our Lenau Park team handles the complexities and volume of this office well! Jakob rounds out the office staff on a very part-time basis to help us with fundraising and grant writing efforts.

The kitchen continues to be led by Erik who knows our recipes well and is always able to provide excellent food. Tomas, Maryam, and Ethan round out the kitchen team to create our daily Prost! foods as well as the large banquet and event faire and tastings.

Mark joined our team last April as the Food and Beverage Manager and has since expanded his role to assist with kitchen management. Our front of the house server/bartenders are Jen and Amy. Erik Z just joined this team, helping out in the Rathskeller (concession stand) and will also help on the facility team. Emma, who is also our banquet captain, Maddy and Nathan work with the Prost! at Lenau Park team as well. Rounding out the Beverage side of things are Henry, Jeff, and occasionally Ted as our barbacks.

Stephanie accepted the role as Event Coordinator enthusiastically in September when we had an unexpected vacancy. The banquet team continues to rely on our long term member, Ilse, along with newer members Noah, Alex, Clay, and Rose. Emma, Maddy and Nathan are also an important part of this team.

Jim, our facility manager, continues to oversee all of the many projects and repairs of our 35+ year old facility. Lukas, special projects, works closely with Jim and other staff members to get things done. Joan very recently joined us as our housekeeper/janitorial staff member. Erik Z eagerly joins the team as needed.

Our entire staff team looks forward to continuing to be of service to you, our members, our guests, and the Haus as we all work together towards bringing Lenau Park to its full potential!

## **Rummage Sale Fundraiser Coming in July**

Save your household/clothes items for our first Rummage Sale slated for mid July! How does this work? The week before the rummage sale, we will accept your donations of items to sell. As the items arrive, volunteers will place them out on preset tables according to their category. Sale starts on Friday with a cover charge and is open to the public. Saturday morning, there is no cover charge to come in. Whatever is not sold, gets donated to another resale charity. All proceeds benefit the club. Watch for more details to come on how you can help out.

# Jugendgruppe

**Leaders: Margot Maurer,  
Kathleen Martini and  
Erik Maurer**

The Jugendgruppe resumed practice in June of 2021, and we've added two new instructors, Kathleen Martini and Erik Maurer, to our leadership team which also includes our Treasurer, Erika Temple. We continue to hold practices on Monday nights at 7 pm just as we always have.

Our Jugend all came back several inches taller, and it was wonderful to see all their smiling faces once again. Almost immediately, we held our Father's Day Car show after canceling it in 2020 due to Ohio mandates against large gatherings. We followed this event by working hard at dance practice to prepare for the Summer 2021 festivities, and performed well at both Oktoberfest and the Landestreffenfest.

We are currently preparing for Schwabenball which is scheduled for April 9, 2022, and we hope you will join us. The Jugendgruppe will present their classic program and our Kindergruppe will perform as our special guests. We will crown a new Miss and Mr. Donauschwaben for

2022. Our Blaskapelle will provide music for listening and dancing. Dinner will be served from 5:30 until 7:00 p.m. with dinner options that include Jägerschnitzel with Garlic Mashed Potatoes or Vegetarian Teriyaki Stir Fry. All meals include green beans, salad, rolls, and dessert. A gluten free option is available upon request. We are offering adult or child portions and request that you please specify your dinner selection when making your reservation.

All early-bird dinner tickets are \$28 on or before April 4th, and are \$30 beginning April 5th. All Jugend and children tickets are \$15.

Reservations can be made through Erika Rounds at 440-934-0283 or by email at [roundserika@gmail.com](mailto:roundserika@gmail.com). You can also visit our website [www.donauschwabencleveland.com/calendar](http://www.donauschwabencleveland.com/calendar) and purchase your tickets online. Please save the date for this special evening. We hope to see you there!

# Kulturgruppe

**President: Erika Knowles**

The Kulturgruppe will hold their first meeting of the year on Friday, March 25th at 8pm in the Party Room. We are happy to welcome anyone who is interested in joining the DKG. Anyone that is 21 and older is welcome to join. More information on the dance practice schedule to come!

# Frauengruppe

**President: Barbara Goebel**

The Frauengruppe was delighted to meet again in late 2021 when we were allowed to meet at Lenau Park.

In December we had our Cookie Sale Fundraiser again. With the help of our willing bakers and volunteers we had a successful fundraiser.

Our Christmas Party with spouse's and guests was enjoyed by all.

We started out our 2022 year meeting with a Valentine theme. The members brought in their Wedding Pictures to share with them. Four of our members celebrated more than 60 years of marriage. Helga Schlothauer celebrated with her husband Stefan their 65<sup>th</sup> wedding anniversary. The members had some interesting comments to give to prospective newlyweds.

Any Ladies interested in joining our group, please call Barbara Goebel at 440-777-2406. We meet on the third Thursday of each month from 1:00 till 3:00 PM. Coffee and Cake will be served. Come and join us.

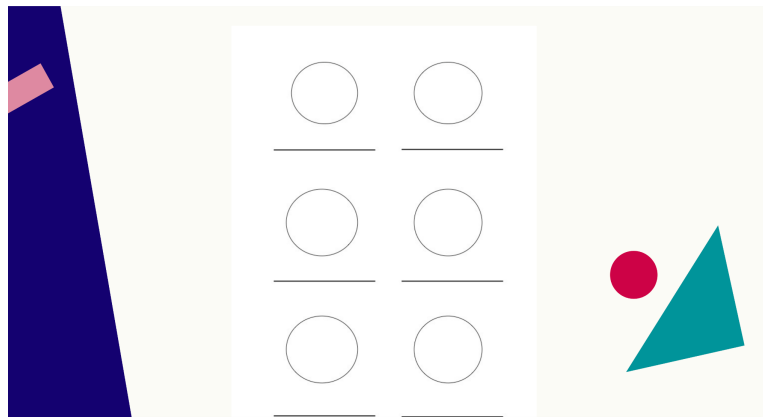

# Deutsche Sprachschule

Principal: Heike  
Haddenbrock

Nach der Weihnachtsferien musste unsere Schule wegen der steigenden Corona-Zahlen wieder online unterrichten. Deutsch Lernen via Zoom ist für Schüler wie für Lehrer nicht immer ganz das Wahre, und so hat sich eine Gruppe Kinder aus unserer Stufe 2/3 für ein kreatives Projekt entschieden, um Abwechslung in den Zoom-Unterricht zu bringen: "Vom Kreis zum Text". Alles begann mit ein paar Kreisen und Strichen, aus denen dann Tiere wurden, die man beschreiben konnte, sogar dichterisch, und der nächste Schritt wird eine tolle Tiergeschichte sein. Leser können unten im englischen Text die Entwicklung des Projekts sehen.

Leider mussten wir unsere Karnevalsfeier für dieses Jahr absagen, aber wir freuen uns schon sehr auf ein wunderschönes Kinderfest im Mai zum Ende des Schuljahres! Bis dahin arbeiten unsere Schüler fleißig an ihrer Vorbereitung auf Prüfungen in den kommenden Monaten.

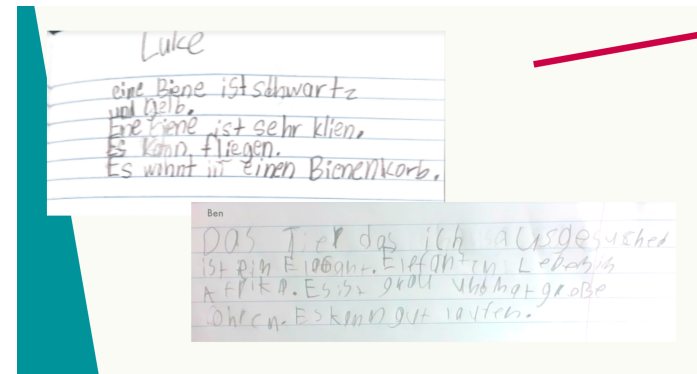

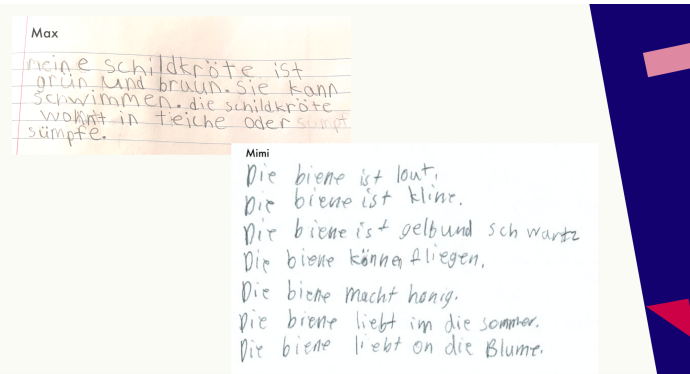

After the winter break, our School decided to stay online until Covid numbers went down again. Online instruction can be a challenge for both students and teachers, but children from our Gruppe 2/3 opted for creativity as a cure and started their project "Vom Kreis zum Text" - "From a circle to text". It all started with a few circles and lines....

which then turned into animals ....

and then became descriptions of the animals....

and even a poem. Students will be working on an “awesome” animal story next: Unsere tolle Tiergeschichte.

We unfortunately had to cancel our Karnevalsfeier this year, but are looking forward to a great *Kinderfest* at the end of the school year in May. Until then, students will be working hard for upcoming exams.

## Blau-Weiss Tennis Group

**President: John Szeltner**

Tennis Anyone? There is still snow on the ground, however it is never too soon to start thinking about summer tennis at Lenau Park. The Blau-Weiss Tennis Group offers league or permanent court time options for players of all skill levels. We have women’s doubles, men’s doubles, and mixed doubles leagues. Or if you prefer, you can reserve court time for your own singles or doubles matches. Membership/court fees are reasonable and we also offer a Social Membership for those that no longer wish to play, however still want to join the group for all of the picnics, parties, and events held throughout the year. For more information, please contact John Szeltner via email at [tennis@donauschwabencleveland.com](mailto:tennis@donauschwabencleveland.com); [jpszeltner@gmail.com](mailto:jpszeltner@gmail.com); or phone 440-734-3676.

# Edelweiss Ski Club

**President: Ryan Temple**

Our group has not had any formal outings this winter, but individual ski club members have gathered for informal trips to Cockaigne, Peak n Peak, and Holiday Valley. The weather has been very good so far this season and we look forward to planning a full slate of trips for next year including Snowshoe in West Virginia.

## SCD Concordia

**President: Brookes Swisher**

SCD Concordia held its Annual Meeting and elections of the 2022 Soccer Board on February 6th. The board will be getting to work right away as 2022 will be a big year for Concordia. The soccer club was established on January 20th 1957 and this year is the 65th anniversary of the club. We are also hosting the Donauschwaben National Soccer Tournament May 28th and 29th.

Concordia's Youth and Seniors Programs were able to run at various levels over the past two years based on Covid protocols set by the state and nationally as well as the soccer governing body. In large part due to the diligence of our coaches and staff and the players and parents following all Concordia Guidelines we were able to get through the worst of the pandemic without spreading the virus throughout the club's teams and families. When we were able to play games, Concordia's Youth and Senior teams fared well on the pitch. Our 2009 Girls team finished in first place in the 2020 fall conference season and moved up to regional league play for the 2021/2022 season. In the 2021 national tournament Concordia was a finalist in the Majors Division and the 35 and Over team won the championship. In 2021 we were able to resume the Kinder Soccer Program for 3-6 year olds and the Player Development Program for 7 - 10 year olds. For information about the upcoming Spring Indoor Session of Kinder Soccer contact Concordia Soccer at the email address below. In 2021 we also had the return of the Men's and Coed Adult 7v7 Summer League, and introduced the Friday Night Pick-up games for players 45 and over that still like to play but were looking for a more casual format.

As we all are now used to the new normal way of doing things Concordia is looking to get back to growing the Youth Program and bringing in the players needed to continue the high level of play of our Senior teams.

As part of the 65th Anniversary of SCD Concordia we will be profiling long-time members, players and others involved during the early years of the club. We will post the profiles on Concordia's website and social media pages throughout the year. If you know someone that we could possibly profile please email [info@concordiasoccerclub.com](mailto:info@concordiasoccerclub.com)

# Blaskapelle

President: Scott Saluga

The Blaskapelle celebrates its 64th year in 2022. We were able to return to practice in June of 2021 for what would be a very busy fest season. Along with performing at our Summer Oktoberfest and Landestreffen, the Blaskapelle performed at the Labor Day Oktoberfest in Berea over two weekends, Cuyahoga Falls, Avon Lake Beer Fest, German Central, Locktoberfest in Akron and Hudson's Kristkindlmarkt.

We completed our season with a sold-out KrampusFest in December. It was the first time since 2019 that we could hold the event and it was a rousing success.

Practice has resumed for our 2022 season. We practice on Thursday nights in the main hall at 8:00pm. We are always looking to add new members to our band. Any woodwind, brass and percussion are welcome to attend. If you are interested please email us at: [Blaskapelle@donauschwabencleveland.com](mailto:Blaskapelle@donauschwabencleveland.com)
